TRODAT PROFESSIONAL SELF-INKING TEXT & DATE STAMPS

Incorporates a 3mm or 4mm date band with the text of your choice. The date is easily set by turning the date bands and now comes with a protective band cover to stop ink on fingers.

- Comes with a built-in red/blue ink pad so no need for a separate stamp pad
- Daters now have band covers to prevent ink on fingers when changing the date
- Date bands always appear in the centre of the stamp
- All dater models supplied with red/blue ink pads as standard unless otherwise requested on order.

TRODAT IMPRESSOR PRE-INKED TEXT STAMPS

Pre-inked stamps give print-like quality impressions making them ideal for signatures, logos, names and addresses.

- The ink is contained in the printing material of the stamp itself, so no need for a separate stamp pad. Black, blue, red, green and violet ink colour is available (please allow 2 days extra for delivery of green or violet ink)
- The high density ink gives a quality impression, but is not advisable for use on coated paper
- For stamps with designs, logos or signatures, please send original black & white artwork with your order
- Not available in dater models
- Ps1 ink is available to re-ink your pre-inked stamps - see page 34

MULTI COLOR IMPRESSION Multi Colour Impression Stamps are possible only on self-inking models. Simply select the colours you require on your MCI stamp - from a choice of 16 for each section of your stamp. You must allow a minimum gap of 2mm between each different colour section. The smallest dimension that any individual colour section can be is 6x6mm
